October 25, 2008

As we near the end of 2008, we look back thankfully on our year. We, as a body of Christ, have had the opportunity to see Him move in our Church. People are growing spiritually through worship, fellowship and Bible study groups. God is truly at work in our Church and our community.

We are now in the process of looking forward and planning for 2009. One piece of this plan is in the area of finance. As the finance team, we are in need of some assistance from you. We would like for you to spend some time in prayer regarding a faith promise for the upcoming year. A faith promise is a monthly amount you feel God is leading you to contribute.

Please pray and respond as you are called. We are enclosing a form to complete and send in the attached self-addressed, stamped envelope for your convenience.

In the future, we will send a quarterly update of your year-to-date giving record. In order to be good stewards of the money we are entrusted with, we would like to send these quarterly reports via e-mail. If you would like to receive these via e-mail, please complete the corresponding section on the pledge form.

If you have any questions, please contact the church office at 708-478-4656.

May God Bless you!

In Christ,

The Finance Team
