What were the two most interesting ideas, concepts or principles about this weekend's message?

Diving:

- What is it that the world has faith in? What is it that the church often puts its faith in? Don't give a "Sunday School answer" here. Be honest.
- Read Mark 9:28 – 29. This is some instructions for us, the Church today. What words do you hear for
 - yourself?
 - this missional community?
 - Missio Dei Church?
- Read James 5:14 -15. In this brief section, James, the stepbrother of Jesus encourages those who are sick to go to the elders for prayer. Does this seem unnatural for you? Why or why not?
- What is the condition of your prayer life? Do you ever feel that you might be missing out on something in your life (healing, blessing, etc) because there is a lack of faith in your life?

Applying:

- What does this mean for us as a Missional Community? How do we live this out?
